

The Academy of Finance is one of the many high school programs in New Hampshire that provide students with preparation and training in real world curriculum.

Become a member of the Academy of Finance (AOF) now!

Do you have good math skills? Do you like working with people and data? Did you know you could make \$30-\$42 K in your first year as a Financial Services professional?

Certificate programs, associate degree and bachelor degree opportunities are available right here in New Hampshire.

You COULD be earning college credit now!

Financial Services industries include:

- Accounting
- Banking
- Financial Investment Planning
- Insurance
- Real Estate

AOF coursework includes:

- Accounting
- Strategies for Success
- Introduction to Financial Services
- Economics and the World of Finance
- Banking and Credit
- Securities and Insurance
- Financial Planning
- A **paid** summer internship to be completed between your junior and senior year of high school

Why participate in the AOF program?

- Joining the Financial Services Pathway now will provide you with a strong academic head start for college and for the rest of your career training.
- Students who successfully complete the program are awarded a national certificate of financial studies and will be prepared for college or entry-level positions in the field.
- Some colleges offer college credit for courses completed in high school.
- Now is the time to start thinking about whether Financial Services is the right career for you.
